Dear Judge,

Please let my dad go. He is a good dad. He taught me how to work. I could not be the man that I am today without him. He taught me to serve. He is always trying to help others. He taught me how to ride a horse. He was going to help me train my horse. We were in the process of building our home. We were going to go camping on our property. We were going to put in for the hunt. We cant do any of that now that he is sitting in a jail cell. We cant go camping, ride horses or build a house. My dad is a good dad and he has not done anything wrong. He is always helping people. When someone is trying to pay him for his help he always says no. I want my dad home. He cant take care of us while he is in there. Please let him come home.

From,

Dear Judge,

I want to tell you some good things about my Dad Dave Bundy... he helps me when I am sick or hurt, he helps me with my homework, he taught me how to ride a horse and plant a garden, I miss my dad so much because he use to hold me as I fall asleep and he teaches me about how to grow garden's and how to grow trees, he wouldn't even hurt a fly he is so nice, My

Dad is such a good pilot and construction worker but most of all my dad is the best dad and a good man too. The last time I saw my dad was when he dropped me off at school at 6:00 A.M. in the morning and that was the last time I saw my dad before he got taken away. My mom is gone a lot to try to get my dad home soon. My dad is a really good person and he needs to come home soon. My dad is also a good cook and a good dad and we were just starting on a new house for our family. My dad needs to come home because my birthday is on May 8 and so is mothers day and summer is coming up soon. I am praying for you to let my dad go home. My dad also helps people for free so please let him come home.

Re: David Bundy

To Whom It May Concern:

I am the Sheriff of Millard County and know the Dave Bundy family. They have lived in Millard County for about 3 years. During that time we have not had contact with David or his family. It seems they have fit well into the community with kids in school, Dave building a new home (not far from my own home) and just enjoying the small town atmosphere.

I know Mr. Bundy is coming to the court for a review of his confinement. I would like the court to know that should it be determined he could be released, bail or OR that my office can and would provide Mr. Bundy with an ankle GPS unit that would allow us to know his whereabouts at all time and notify our office should he leave an assigned area. Mr. Bundy would of course be responsible for costs of this unit.

If you have questions please feel free to contact me.
